### Principal's Message

Here at Emma Wilson, we recognize that parents are our students' first and best teachers. Parent involvement is welcomed and encouraged. This powerful partnership helps to ensure the success of our students. Volunteering sets and important example for children about shared responsibility. There are innumerable opportunities to volunteer, whether it is in the classroom, participating in PTSA activities, chaperoning field trips, serving as a classroom parent, or serving on a committee. Parents learn about these opportunities through classroom newsletters, school newsletters, our school Facebook page and the Remind app, or by simply calling the school and inquiring.

How to get involved in your child's education at Emma Wilson

1. Fill out the PTSA volunteer forms. Forms are available in the office.
2. Join Emma Wilson's Facebook and Remind sites. Information on page 2 on how to sign up.
3. Ask your child questions about what he/she learned in school that day. ("What did you learn in math today?" or "What stories are you reading in school?")
4. Read with your child every day.
5. Check your child's backpack daily for letters or flyers about upcoming events.
6. Call the school or email the principal or teacher if you have any questions or concerns.
7. Attend PTSA general meetings to learn about school events.
8. Sign up to help at a class event like parties or field trips
9. Assist your child with homework assignments by creating a quiet environment to work.

Please come by and see for yourself. Be a part of your child's education!

**Reading Pals**

Emma Wilson Elementary is excited to offer the community based volunteer reading program Reading Pals this year! Did you know the students in the Chico Reading Pals program who read for an hour a week with a volunteer made an average of 2.3 months of progress in reading skills for every month in the program? Wow! Come volunteer with us for an hour or two at EWE and make a difference to a student.

My name is Maryjo Callahan and I am the EWE Reading Pals Site Coordinator. We will be running our program from 1:00 - 2:00 and 2:00 - 3:00 Tuesday and Thursday afternoons. The sessions are a half hour with one student so an hour volunteer time will have you working with two different students. We are hoping to start reading with students the last week in September, but we will gladly welcome all volunteers throughout the school year. To get started or for more information, please go to [chicoreadingpals.org](http://chicoreadingpals.org) (There is a lot of information there!) or email me at [mjreadingpals@gmail.com](mailto:mjreadingpals@gmail.com). My phone number to text or call is 530-521-2573 and I'll be happy to answer questions and provide more information. Looking forward to having a successful first year with Reading Pals at EWE!

1 volunteer. 1 child. 1 hour a week. Changes a life forever.
